## **XII. MISAPPROPRIATION/MISUSE OF FUNDS AND MISCONDUCT**

The 11<sup>th</sup> concept of N.A. Service establishes the sole priority for the use of N.A. funds to carry the message to the addict that still suffers. With this in mind, any misappropriation or misuse of funds by any Area trusted servant(s) including all subcommittee trusted servant(s) or N.A. member(s) will not be tolerated.

- A.** The definition of "misappropriation of funds" includes, but is not limited to, theft, embezzlement, or use of N.A. funds for purposes not expressly authorized by an area committee or subcommittee. This includes the theft of cash, check, any financial instrument (i.e. refunds, royalties or rebates from vendors to the N.A. fellowship), or asset (i.e. equipment, supplies or physical inventory).

- B. Misconduct**

Misconduct is defined as any action contrary to the 12 Traditions of NA, the 12 Concepts of NA Service, the guidelines of the I.E.W.A.S.C., the guidelines of an I.E.W. Subcommittee, or violation of California State or US Federal Law to the extent that such misconduct is detrimental to the I.E.W. Area. This includes conduct that creates a benefit to an I.E.W. Member or outside enterprise to the detriment of the I.E.W. Area.

- C. Interim Action - Suspension**

Should any Area Executive Committee Member, Subcommittee Member, or any non-elected N.A. Member be suspected to have misappropriated or misused area funds or have been involved in misconduct at the area level, the Area Executive Committee duly elected officers will vote, in person by phone, to immediately "suspend" the member(s) involved from further Area Service. Suspension in this instance is not disciplinary action; it is the pause in active service to allow time for investigation of an incident.

1. A suspended officer or member may no longer represent him/herself to the fellowship or service boards/committees as an officer or member of the I.E.W. Area, its committees, and subcommittees. Additionally, a member, upon notification of being suspended by phone (call or text) or email from the Chair, may not be reimbursed for any service-related expenses incurred during the course of their suspension.
2. Upon suspension of any member(s), the Area Executive Committee duly elected officers must make a full and timely (30 days) investigation and report the findings at the next area meeting.
3. Any member who participates in or who had knowledge of the suspected misappropriation or misuse of area funds or misconduct shall be subject to the same actions taken against the suspected member(s) and are required to be present at the I.E.W.A.S.C.
4. The presiding officer of the I.E.W.A.S.C., upon calling the following I.E.W.A.S.C. to order, must report all interim actions/decisions made by the Executive Committee duly elected officers. Fully disclose the alleged misappropriation or misuse of area funds or misconduct and the individual(s) involved. Any member suspected of misappropriation or misuse of area funds or misconduct may

# NARCOTICS ANONYMOUS INLAND EMPIRE WEST GUIDELINES

APPROVED AUG 24, 2025  
AMENDED SEP 28, 2025

exercise the 10th Concept of N.A. Service to redress the issue at this time.

## **D. Area Action - Removal and Reinstatement**

Once the I.E.W. Area Executive Committee's duly elected officers investigate and report to the area its findings of the suspected violation of this section, the I.E.W.A.S.C. must immediately vote on a motion to remove the individual(s) from office and/or the committee "with cause" to reinstate or to extend the investigation with the member(s) present.

1. Should the area remove an officer(s) or member(s) with cause, the said individual's participation within the I.E.W. Area is immediately terminated.
  - a. Any officer(s) or member(s) suspended or removed from office and/or committee by the I.E.W. Area for misappropriation may no longer represent themselves to the fellowship or service boards/committees as an officer or member of I.E.W.A.S.C., its committees and subcommittees for a period of *five* (5) years from the date of interim suspension.
  - b. Any officer(s) or member(s) suspended or removed from office and/or committee by the I.E.W. Area for misconduct may no longer represent him/herself to the fellowship or service boards/committees as an officer or member of the I.E.W.A.S.C. committees or subcommittees for a period of 2 to 5 years, at the discretion of the I.E.W.A.S.C. on a case-by-case basis. (This period of time will be voted on and determined at the time of removal from office and/or committee).
  - c. If a trusted servant resigns from office or a committee prior to the I.E.W.A.S.C. having taken the aforementioned action and reaching a final resolution, the I.E.W.A.S.C. shall proceed to suspend the trusted servant. The I.E.W.A.S.C. shall investigate the matter and follow the aforementioned process to its normal conclusion.
2. Upon early reinstatement by a required 2/3 vote of I.E.W.A.S.C., said member's suspension will be lifted and the member will resume their role as a full participant of I.E.W.A.S.C., its committees and subcommittees if applicable.

## **E. Restitution**

1. A member removed from office for the misappropriation or misuse of area funds might be subject to criminal and/or civil legal proceedings. A 2/3 majority vote of the I.E.W.A.S.C. shall be required to file charges with local law enforcement authorities, inclusive of the local police and DA's office.
2. Members removed from office for the misappropriation or misuse of area funds may, at the discretion of the I.E.W.A.S.C., be asked to sign a promissory note and make restitution in full of all misappropriated or misused I.E.W. Area funds in lieu of filing charges.

## **XIII. ELECTIONS:**

- A. I.E.W.A.S.C nominations and elections will be held at the end of the January business meeting, unless offices are vacated throughout the regular business year. At the Area Meeting in January, the committee shall elect in this order: Chairperson, Vice-Chairperson Secretary, Treasurer, Vice-Treasurer, Regional Committee Member, Regional Committee Alternate, Literature Distribution Officer, 1st Literature Assistant, 2nd Literature Assistant, Convention Committee Representative, Regional Youth Committee Representatives, Sponsorship Behind the Walls Representative, Coffee/Flyer Person, and a Regional LGBTQ Committee Member.

## XV. ADDENDUM "A" - VOTING POLICY

### Basic rule of all voting.

When determining the outcome of the vote, be concerned only with the number of yes and no votes cast, not the number of people present-since no one is required to vote.

#### A. Majority vote:

**Definition:** A majority means more than half of the total YES plus the NO votes cast. As a result, majority means more than half the people entitled to, and who choose to take a position on the motion by way of their vote, must approve the motion for it to pass.

**How to tally:** The following scenario illustrates what we mean by majority vote:

<u>Number of votes cast</u>	<u>Number needed for a majority</u>
12 votes	7 votes
17 votes	9 votes
18 votes	10 votes
19 votes	10 votes

**When valid:** for a majority vote to be valid the following conditions must be observed:

1. The meeting must be correctly called, with the members notified properly.
2. There must be a quorum present (note: at the I.E.W.A.S.C., once a quorum is established it remains in effect until the close of the meeting).
3. Abstentions do not count in the tally.

#### B. Two-thirds vote:

**Definition:** This means that at least two-thirds of the members entitled to, and who choose to take a position on the motion by way of their vote must cast ballots in favor of the issue being debated. (For clarity the following formula will be used in determining two-thirds): the YES (a) votes added to the NO (b) vote= TOTAL (c) votes. So  $((a+b)/3) \times 2 =$  the two-thirds necessary(d) or twice the number of YES votes as NO votes.

**How to tally:** The following chart shows how a two-thirds vote is tallied:

<u>Number of votes cast</u>	<u>Number needed for a 2/3 vote</u>
12 votes	8 votes
17 votes	12 votes
18 votes	12 votes
19 votes	13 votes

**When valid:** for a two-thirds vote to be valid the following conditions must be observed:

1. The meeting must be correctly called, with the members notified properly.
2. There must be a quorum present (note: at the I.E.W.A.S.C. once a quorum is established it remains in effect until the close of the meeting.)
3. Abstentions do not count in the tally.

#### C. Polling of abstentions:

In the event there are enough abstentions that could change the outcome of the vote that at the

INLAND EMPIRE WEST GUIDELINES**  
APPROVED AUG 24, 2025  
AMENDED SEP 28, 2025

discretion of the chair or at the request of the body the abstentions may be polled to see if there is any information that they need in order to take a position on the motion and to ensure that the motion is clearly understood.

**Right of abstention:** No member can be compelled to vote. As a result, every member has the right to abstain.

**Recommendation:** it is not recommended that an organization base its voting requirements on the number of members present at a meeting. In such cases an abstention would be counted as a negative vote, the organization would, in effect, be denying members the right to remain neutral. In addition, members who do not vote because they are indifferent to an issue can have a pronounced negative effect on the outcome of the vote. If an organization does want to change the basis for deciding a vote from a majority or two-thirds vote to something else, previous notice of the intention must always be given. This means members must be notified at a prior meeting.
